Section 1 - Introduction

This directory provides a list of Ochsner Health Plan's network providers.

You will have to choose one of our network providers listed in this directory to be your Primary Care Provider (PCP). Generally, you must get your health care services from your PCP.

The network providers listed in this directory have agreed to provide you with your health care, vision, and dental services. You may go to any of our network providers listed in this directory. Other providers are available in our network. Ochsner Health Plan Freedom and Heroes members may seek care from an out-of-network provider at a higher out-of-pocket cost.

Ochsner Health Plan Premier (HMO) has a network of doctors, hospitals, pharmacies, and other providers. If you use the providers that are not in our network, the plan may not pay for these services. You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Ochsner Health Plan will be responsible for the costs.

Ochsner Health Plan Freedom and Ochsner Health Plan Heroes are (HMO-POS) plans, members may use Point-of-Service (POS) providers that are outside of our network for an additional cost. Out-of-network/non-contracted providers are under no obligation to treat Ochsner Health Plan Freedom and Heroes members, except in emergency situations. Please call our member services number or see your Evidence of Coverage for more information, including the cost sharing that applies to out-of-network services.

Ochsner Health Plan's standards for appointment wait times for primary care and behavioral health services are as follows:

- Urgently needed services or emergency—immediately;
- Services that are not emergency or urgently needed, but the enrollee requires medical attention—within 7 business days; and
- Routine and preventive care—within 30 business days.

All Ochsner Health Plan members may obtain emergency services from the closest available provider and may obtain urgently needed services from any qualified provider when out of the plan's service area or when network providers are unavailable.

If you receive a bill from any out-of-network provider, you should not pay the bill but should submit it to Ochsner Health Plan for processing and determination of your liability, if any.
