Section 1 - Introduction

This directory provides a list of Ochsner Health Plan's network providers.

You will have to choose one of our network providers listed in this directory to be your Primary Care Provider (PCP). Generally, you must get your health care services from your PCP. However, you are not limited to this PCP for all your primary care.

If you choose a PCP who is not taking new patients, we may assign you to a different PCP. If this happens, you can switch to another PCP who is accepting new patients. If you want to switch providers, please call our Member Services Department at 1-833-674-2112. We are open 8:00 a.m. to 8:00 p.m. seven days a week from October 1st to March 31st and 8:00 a.m. to 8:00 p.m. Monday through Friday, April 1st to September 30th.

The network providers listed in this directory have agreed to provide you with your health care, vision, and dental services. You may go to any of our network providers listed in this directory. Other providers are available in our network. Depending on your plan, you may be eligible to receive certain covered services from out-of-network providers that accept the plan. With the exception of emergencies, it may cost more to get care from out-of-network providers. To get detailed information about your health care coverage, please call our Member Services number or see your Evidence of Coverage for more information, including the cost sharing that applies to out-of-network services.

Ochsner Health Plan's standards for appointment wait times for primary care and behavioral health services are as follows:

- Urgently needed services or emergency—immediately;
- Services that are not emergency or urgently needed, but the enrollee requires medical attention—within 7 business days; and
- Routine and preventive care—within 30 business days.

If you have a medical emergency, get help as quickly as possible. Call 911 or go to the nearest emergency room or hospital. All Ochsner Health Plan members may obtain emergency services from the closest available provider and may obtain urgently needed services from any qualified provider when out of the plan's service area or when network providers are unavailable.

If you get a bill

If you receive a bill from any out-of-network provider, you should not pay the bill but should submit it to Ochsner Health Plan for processing and determination of your liability, if any. Please see your Evidence of Coverage for more information.

If you're on Medicare and Medicaid

All providers in this provider directory accept both Medicare and Medicaid.
Information concerning Medicaid provider participation is available on Ochsner Health Plan's website and the Louisiana Medicaid website, www.lamedicaid.com. To request a hard copy of the Louisiana Medicaid provider directory, please call our Member Services Department at 1-833-674-2112. We are open 8:00 a.m. to 8:00 p.m. seven days a week from October 1st to March 31st and 8:00 a.m. to 8:00 p.m. Monday through Friday, April 1st to September 30th.

Telehealth (Virtual Visits)

Telehealth, also known as virtual visits, is covered under your benefit plan. You can access telehealth services from any network provider that offers virtual care. Telehealth services may include primary care, specialist, urgent care, and/or behavioral health care. Not all medical conditions can be treated through telehealth. Your provider may tell you that you need to see an in-person doctor for treatment. To access your telehealth benefits, ask your network provider if they offer telemedicine/virtual care or look for the telehealth providers listed within this directory.
